

# PARENT PARTICIPATION

West Forsyth Christian Preschool offers several areas for you to become a part of the Preschool's yearly program.

- We offer a time to schedule a tour of our facilities and classrooms and meet with the Director. Our Registration Packet, Parent Handbook and Policies are given to each parent upon completion of the tour and prior to registration.
- Our Lead Teachers are always available to make appointments to meet with parents at any given day to discuss concerns.
- During the last week of January, each classroom teacher will have a designated day set aside for parents to make appointments to meet with their child's teacher to review/discuss their child's progress and ask any questions or bring in any concerns they may have. Please take advantage of this time with your teacher as she will give you her undivided attention to the discussion. We will plan for each of our lead teachers to meet with their parents privately during the specified day. The classroom teacher will be contacting you regarding sign-up with the designated day and time schedule for your convenience.
- WFCP has an abundance of Committees for parents to sign-up as volunteers during the school year. Each year during Open House, parents are given an opportunity to leave their name and email on sign-up sheets during the reception.
- WFCP has a Board of Directors, consisting of current parents, alumni parents, and a liaison from *Lewisville Baptist Church*. The Board meets once a month to review the financials and upcoming events for the preschool and guide and direct in any way necessary with the Director. Each member is available to discuss any concerns or complaints with parents. A list of the current Board of Directors with their email address and phone number is handed to the parent at Open House.
