

# PHOTO RELEASE

RE: Photo Release Form

From time to time we use photos of our students for our website, school brochures, advertisements, etc. We do not publish the students' names or addresses corresponding with any of these photos or group information. In addition, our teachers at West Forsyth Christian Preschool (WFCP) take pictures of the children throughout the year to illustrate, for you and them, the many activities in which they are engaged. Some photos will be used for, but not limited to, marketing, recruiting, fund raising, exhibits, etc.

Sometimes, videotapes are also made of classroom activities for teacher-training purposes. These are often shared with the children but not with others outside the preschool. I waive any right to inspect or approve the use of any hard copy or electronic record that may appear in connection with such use. This Release will remain in effect until written withdrawal is received by me.

Thank you,

*Rosemary Drinkuth*

Director
